Derangement of the Liver.

RICHMOND, VA., July, 1888.

This is to certify that I have known one of the superior qualities of JOHNSTON'S VEGETABLE "NOLANDINE" for the past ten years, and during that time, at intervals, have had occasion to use it in person and in my family, and have always found it a sure cure for derangements of the liver and kidneys, indigestion, headache, &c., and a good tonic.

Mr. J. W. Johnston:

Dear Sir,—Having suffered for years with a chronic affection of the kidneys, derangement of the liver, and my general system charged with malarial poisons, I found relief from treatment of medicine until I used your Vegetable "Nolandine." I am now free from above complaints, and to "Nolandine" am indebted for this restoration to health. I honestly recommend it to all persons suffering from above diseases.

WILLIAM DICKINSON,

Superintendent of Coal Mines.

I feel it my duty to recommend your valuable medicine, "Nolandine," for any trouble caused by torpid liver, or constipation, or biliousness, or pain. As a tonic, it is also very valuable. Blood Poisoning.

RICHMOND, VA., July 13, 1887.

J. W. Johnston, Proprietor "Nolandine":

Dear Sir—I have taken your "Nolandine" for a malarial complaint of eight years' standing, during which time I have tried many preparations, but I did not receive a relief until I used your preparation, for which I have received immediate and permanent benefits.

J. B. DOWDEN,

Dyspepsia and Catarrh.

RICHMOND, VA., May 1888.

I have suffered from dyspepsia and catarrh of the stomach for many years. I have tried many remedies, but I did not receive a relief until I used your "Nolandine." I am now free from all of them.

J. B. DOWDEN,

Proprietor of Dowden's Dental Fluid.

Blood Purifier.

RICHMOND, VA., October 1, 1887.

To whom it may concern: For twelve months I was a fearful sufferer from chronic eczema, during which time I was in the hands of a most skillful physician, faithfully using his remedies, internal and external, without deriving any benefit whatever. I suffered night and day with the most intolerable itching, continuous headache, loss of sleep, appetite and strength. My kidneys and nervous system were fearfully deranged, and my body was covered with unnumerable boils. By taking three (3) bottles of JOHNSTON'S VEGETABLE "NOLANDINE" I have been restored to perfect health. I regard "Nolandine" as the best blood purifier, and the most powerful tonic ever compounded, and I am not alone in this belief. Very respectfully yours,

H. B. GRUBBS.

Consumptive Diarrhea.

I feel it my duty to make the first

known, for the benefit of those who may be suffering as I have done. The late Dr. Charles Bell Gibson, and other physicians in the city, pronounced my disease consumptive diarrhea, and after three (3) years of treatment, during which time I derived no benefit whatever, they said my complaint was incurable. I was reduced to a mere shadow by loss of appetite, cough, diarrhea, night sweats and sleeplessness. I had not strength to go up and down stairs without assistance.

JOHN W. CALDWELL.

Liver Complaint.

OFFICE OF J. W. CALDWELL,

RICHMOND, VA.,

Dear Sir,—For the benefit of persons

suffering from Chronic Liver Complaint, I beg leave to call their attention to your Vegetable Preparation, "Nolandine." I regard it as a "choleragogue," combining also tonic and renovating properties, and in this respect differing from any medicine I have ever taken.

The effects of your "Nolandine" in

my case, has been on the liver and sections identical with cholera; at the same time, entirely free from nauseating and debilitating consequences following the use of that mineral.

I very cheerfully recommend your

"Nolandine" for the diseases enumerated on your circulars, and am convinced from personal benefit derived from its use, that it must become a standard family medicine.

I am not alone in the very high estimate I place on "Nolandine," and trust

it will be universally known and be, as it should be, the means of taking the place of mineral preparations for that class of diseases in which it has proven so successful and already gained such a reputation. Hoping that "Nolandine" will reach all persons suffering from bilious derangement and prostration from chronic diseases, I am very respectfully yours,

JOHN W. CALDWELL.
